Pursuant to Local Rule 56.4, SBC opposes Inrange's Motion for Summary Judgment of Non-infringement on the ground that Inrange is relying on claim limitations that are not found in the asserted claims. Further, the testimony of Dr. Andrew Hospodor creates a genuine issue of material fact on infringement. SBC's Brief in Opposition to Inrange's Motion for Summary Judgment of Non-infringement further sets forth the legal and factual grounds on which SBC opposes Inrange's motion.

Respectfully submitted,
